&lt;p&gt;&lt;/p&gt;&lt;p&gt;2024 video game&lt;/p&gt;  
&lt;p&gt;Call of Duty: Infinite Warfare is a 2024 first-person shooter video gam  
e developed by Infinity Ward and published&#128201; by Activision. It is the thi  
rteenth installment in the Call of Duty series and was released worldwide for PI  
ayStation 4,&#128201; Windows, and Xbox One on November 4, 2024.&lt;/p&gt;  
&lt;p&gt;Development of Infinite Warfare began during 2014. It is the first titl  
e by&#128201; Infinity Ward under the new three-year development cycle for the C  
all of Duty series. The game&#39;s campaign is centered around&#128201; a battle  
for the Solar System, which the Settlement Defense Front (SDF), a hostile force  
who are the main antagonists,&#128201; are attempting to take over. The player  
takes control of Lieutenant Nick Reyes of the Special Combat Air Recon (SCAR).&#  
128201; They have their own transforming fighter, named &quot;Jackal&quot;, that  
they can customize as well as a central hub ship named&#128201; Retribution.&lt  
;/p&gt;

&lt;p&gt;Infinite Warfare&#39;s announcement trailer was noted for its strong ne  
gative reaction; it was the second-most-disliked video on YouTube at the&#128201  
; time. Commentators attributed this to Call of Duty fans expressing frustration  
at the direction the series had taken, specifically that&#128201; the game and  
its predecessors had futuristic settings. Nevertheless, the game received genera  
lly positive reviews upon release; it received praise&#128201; for its gameplay,  
characters, and Zombies mode, but criticism for its multiplayer mode, while its  
single-player campaign received mixed opinions.&#128201; It was named as Best S  
hooter at E3 by Game Informer and was nominated for several awards. Infinite War  
fare underperformed&#128201; in sales compared to previous Call of Duty titles,  
though it was both the top-selling game in the US and&#128201; UK in November 20  
24.&lt;/p&gt;

&lt;p&gt;Special editions of Infinite Warfare were released with a remastered ve  
rsion of Call of Duty 4: Modern&#128201; Warfare, titled Call of Duty: Modern Wa  
rfare Remastered.&lt;/p&gt;  
&lt;p&gt;&lt;/p&gt;&lt;p&gt;&lt;/p&gt;&lt;/div class=&quot;hwc kCrYT&quot; style=&quot; padd
