<p></p><p>A revista "Brasileirão Ozzo" Recently , wrote an article about the biggest derby in Minas Gerais, the "Clássico Mineiro," disputed between 💰 Clube Atlético Mineiro and Cruzeiro. The rivalry has its origins in the 1920s, when both teams were founded, and is 💰 considered the second-most popular derby in Brazil, behind Corinthians x Palmeiras.</p>
<p>The main disputes between these two teams began years after 💰 Cruzeiro, originally named Sociedade Esportiva Palestra Itália, was founded in 1921. However, it was in the 1940s that the rivalry 💰 strengthened and became the largest derby in Minas Gerais, rivaling any other football competition in the state during the 1960s.</p>
<p>At 💰 the time being, Atlético competes in several sport modalities; however, it has an excellent historical record in football, providing the 💰 most international-class players of any football club from Minas Gerais. In contrast, Cruzeiro, which holds the largest number of national 💰 football titles, is considered the second most popular football club in Minas.</p>
<p>It's interesting to mention that even though both teams 💰 hold a historic rivalry in football, a study reveals that each team has unique fan characteristics. Atlético fans are predominantly 💰 males (76%) from high-income neighborhoods (41%.) While Cruzeiro has a contrasting audience: with more than 50% of fans being female 💰 and having a prevalence of income ranging from middle (32%) to high levels (28%).</p>
